# Press Release

## Global E-Sourcing, Inc. Enhances its Software Suite of Solutions for Kitchen and Bath Designers and Contractors

Schaumburg, Illinois, USA, April 18, 2006: Global E-Sourcing, Inc. has bolstered its business management software suite of solutions for the kitchen and bath industry – Global ShowRoom Pro™. The offering now combines its improved web-based business management application with the finest 3-D virtual rendering installed software available to provide a complete solution for designing, selling, managing and installing kitchen and bath projects. Whether you are a kitchen and bath designer, showroom, contractor or installer, Global ShowRoom Pro™ will help you organize and manage your business more efficiently and profitably.

- **NEW!** Installed Application

The best virtual 3-D rendering tool for the industry! Provide your clients with virtual renderings of their kitchen or bath selections in a life-like representation of their room. Create room images. Present professional designs to your customers! Limitless layouts!

- Create, apply templates and patterns.
- Accurate material count improves ordering accuracy
- Photo-realistic images build add-on sales
- Present design options with a simple mouse-click

- **IMPROVED!** Web-based Application

Prepare quotes and adjust schedules from home or anywhere you have an internet connection! Manage customer/lead information, material and labor pricing, prepare quotes, contracts. Schedule tasks, internal crews and external subcontractors. Track project status and action required. Define workflow templates for the way YOU do business!

The following features have been recently added or will be available very soon!

- Drag and drop scheduling
- Create and save workflow templates
- Create and save your own views
- Manage multiple customer price groups
- Create countertop quotes

**Visit us at the Kitchen/Bath Industry Show and Conference in Chicago at Booth No. 8769 from April 21 – 23, 2006.**
